In the classroom...

Thanks to everyone for making this a great first week of school!

Mom’s and Dad’s are doing a great job helping their children by establishing routines at drop off, children are learning the daily schedule, and we are all learning each others’ names. There is always so much to do and remember in the beginning!

We have kept the activities simple this week so children can explore without being overwhelmed. We put out the trampolines, opened the water table, and played with Hula-Hoops in the yard. We built with the big Legos, Bristle Blocks, and Unifix cubes, and we painted with water colors and made butterflies at the art table.

Due to a couple of severe allergies we are going to declare WITW a **PEANUT FREE SCHOOL** for the 2010-2011 school year. Thanks for your cooperation in this matter...it’s always better to be safe than sorry.
